Capital designed around business momentum.

Funding is structured as a **merchant cash advance with a fixed factor rate**, not a traditional APR-based loan. Every file is reviewed individually based on revenue, time in business, credit profile, cash flow, profitability, industry, and existing obligations.

RENEWAL POTENTIAL

Once a business has repaid approximately **50% of its balance**, it may become eligible for additional funding.

Program Highlights

Funding Amounts	\$2,000 to \$2,000,000, with an average funded deal around \$75,000.
Factor Rate Range	15% to 49%, based on business performance and underwriting review.
Repayment Terms	30 days to 24 months, with daily, weekly, bi-weekly, or monthly repayment options.
Repayment Methods	ACH debits or credit card processing holdbacks, depending on the structure.
Use of Funds	Inventory, payroll, marketing, expansion, consolidation, or short-term operating cash flow.

Who This Fits

AFFILIATE OPPORTUNITY

1%

Affiliate compensation is 1% of factoring origination. On an average \$75,000 funded deal, the example payout is approximately **\$750**.

Refer the opportunity. Leadershield handles the execution.

Referral partners can monetize business funding opportunities without managing sales, underwriting, fulfillment, customer service, or the ongoing client relationship. Leadershield manages the process from intake through funding and future renewal opportunities.
