

LEADERSHIELD NETWORK

Your Path to Recurring Revenue and Long-Term Wealth

EMPOWERING AGENTS • TRANSFORMING MERCHANTS • BUILDING LEGACIES

The Opportunity is Now — A \$200B+ Market Awaits

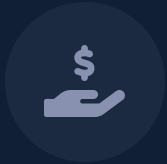

- 📈 The small business funding and merchant services industry exceeds **\$200 billion annually**.
- 🔄 Traditional MCA models are transactional — agents earn once and start over every month.
- 📦 Leadershield Network introduces a **recurring revenue model** that compounds over time.

"The MCA engine produces cash flow. The subscription platform produces enterprise value. Together, they create wealth."

WEALTH CREATION: TRANSACTIONAL VS. RECURRING

Compliance-First Model — Your Shield in the Market

Centralized Pricing

Agents never set or negotiate rates. All pricing is controlled by the platform to ensure fairness.

Clear Compensation

Earnings are defined as incentive compensation for services, not "spread" or "markup".

Automated Disclosures

All merchant disclosures are generated and archived centrally, protecting you from liability.

Regulatory Protection

Our framework adapts to evolving regulations, keeping your business safe and sustainable.

"This framework protects you, the merchant, and the platform from regulatory risk."
